Dear Mr. Ramanathan,

The Chief Engineer in Mysore writes to me that the plan and estimate for a Town Hall at Tarikere have been submitted to Government for sanction in the Revenue Department The work is in progress and the walls have all been completed. The rainy season is fast approaching and the walls are likely to get damaged if the roof is not put up before the rains set in The Executive Engineer has placed orders with a firm for the iron-trusses etc., required for the building. I would therefore request you to obtain the sanction of Government to the plan and estimate submitted by the Chief Engineer at an early date.

2. The work is being carried under instructions from the Public Works Department. By the sale of the park at Tarikere and the grant made by the Tarikere Municipal Council and also the subscriptions so far collected from the public, we have sufficient funds to complete the hall and at least two of the rooms on the front side.

Thanking you in anticipation.

I remain,

Yours sincerely,
